Call for Industry Forum(IF)\Industry Program Proposals for ICCE 2024

Proposal submissions are sought for Industry Forums (IF) on the latest technical and business issues, challenges, and solutions in CE industry. We also welcome proposals relevant to topics listed in the following Tracks and the theme.

The theme of the conference is "**Creating Our Future with Consumer Technology**", and the regular tracks are listed as follows:

Application-Specific CE for Smart Cities (SMC)	Security and Privacy of CE Hardware and Software Systems (SPC)
Audio/Video Systems and Signal Processing (AVS)	Sensors and Actuators (SEA)
Automotive CE Applications (CEA)	Smartphone and Mobile Device Technologies (MDT)
Consumer Communications Networks and Connectivity (CCN)	Virtual Reality, Augmented Reality and Metaverse (VAM)
Consumer Power and Energy (CPE)	Emerging Consumer Technology (ECT)
Consumer Systems for Healthcare and Wellbeing (CSH)	Next Generation Communications and Networks (NCN)
Entertainment and Gaming (ENT)	Generative Pre-trained Transformer (GPT)
Human-Machine Interaction and User Experience (HMI)	Blockchain and Cryptocurrency (BAC)
Internet of Things, Internet of Everywhere, Edge Computing(IOT)	Digital Fashion and Non-Fungible Token (DFT)
Machine learning, Deep learning and AI in CE (MDA)	Software in Consumer Technologies (SCT)
Quantum in Consumer Technology (QCT)	Physical Unclonable Function and Security (PUF)

To organize the contents of Industry Program\Forum, the Program Types can be planned as follows:

(1) Industry Presentations (2-3 presentations + organizer/ chairperson): 2-3 industry speakers will be invited and each will present for 20-45 minutes. After all speakers give their presentations, an organizer will conduct a Q&A session with the audience.

(2) Industry Panels (3~5 panelists + moderator/chairperson): 3 or 5 industry experts will be invited and each will give a 5-minute presentation. After all panelists give their short presentations, a moderator may ask several questions to the panelists before conducting a Q&A session with the audience.

(3) Other Types: Please describe your plan for the Industry Program\Forum.

Please note that:
(1) The proposed Industry Program/Forum can be held by hybrid mode. For example: the chairperson/organizer will attend onsite (or online), and some of the speakers/panelists can join online, and then others join onsite.
(2) The time length of each Industry Program/Forum is within 1.5 or 2 hours.
